Party Information 2016 page 1/2

** Please read both pages. A more detailed breakdown is explained.

Set up:

1. Children's parties or group gatherings will only be from 3pm, the restaurant will still be open to other guests.
2. We find that the kids don't sit and the adults are mostly standing around and/or following their kids in and out of the park.
3. We set up a long table (seats 10) in the lounge area, by the big windows, the lounge seats another 8.
4. On a lovely day – the big windows will be open.
5. We do not set up for parties on the patio or stone area.
6. With large groups we set an extra table for wine and jugs.
7. Jugs of water will always be set up at parties.
8. Unless you have a theme and would like to provide your own – we provide glasses, cutlery, crockery and white paper serviettes.

If you would like us to close the restaurant and host a private event - please contact us for venue hire rates and more information. Only available after 5pm.

Decorations and Entertainers:

1. You can start setting up from 3pm. If you have many decorations – we suggest you invite your guests from 3:30pm.
2. You are more than welcome to drop off the decorations and cake earlier in the day.
3. Please ensure that all decorations are color-safe and non-permanent. (Colorful streamers lose their color when wet and create permanent stains on our furniture ☹)
4. Please do not supply the kids with whistles and noisemakers.
5. Please inform all entertainers that they need to set up outside in the park and provide their own tables or chairs.

Small details:

1. Sweets and chips – please put all these treats inside the party packs for the kids to enjoy in the park or when they go home. We do not allow bowls of sweets or chips on the table in the restaurant.
2. Feel free to discuss your queries regarding birthday cakes with Anel.
